Our PURPOSE, HISTORY & FUTURE

PURPOSE

To create an environment worthy of the efforts of our participants and to provide a prime destination for equestrian sports.

1982

The Anderson family purchased the Murieta Equestrian Center more than 30 years ago. Carol Anderson Ward began the development that would turn it into the premier horse show facility it is today. MEC is a popular destination enjoyed by equestrians, sports enthusiasts and community members year-round.

2007-CURRENT

A partnership between the Murieta Equestrian center and the West Coast Equine Foundation was created as a way for Carol Anderson Ward and MEC to give back to the horse community. The WCEF works to advance the equine industry through scholarships and grants that support a variety of community, equine health and youth programs.

THE FUTURE

Growth and development for more world class regional shows and events.
