THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, CH-1005 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

GENERAL RULES & INFORMATION

CONDITIONS OF ENTRY

- √ Every class offered herein which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith.
- √ Management reserves the right to arrange for additional judges and to cancel, combine or amend any class, including but not limited to class awards, scheduling and location.
- √ Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries, without claim to damages.
- √ Show Management reserves the right to interpret all questions and conditions in regard to, or arising out of, or incident to the show, without claims for damages or recourse of any kind. All questions not covered by these rules and regulations shall be decided by the Show Management and such determinations shall be final.
- √ Owner/Agent/Participant agrees that every horse entered, or which they bring to the show grounds, will be subject to the rules of the Horse Show management. However, Show Management will, in no case, be responsible for any loss or damage that may occur to any horse entered or on the grounds, and it shall be a condition of entry that each exhibitor agrees to defend, indemnify and hold harmless the United States Equestrian Federation, the United States Dressage Federation, the California Dressage Society, Golden State Dressage, Inc., any additional recognizing organizations, the facility at which the event is held (showgrounds), the horse show and its management, employees, volunteers and independent contractors for any loss or accident to his horse, horses or equipment which may occur.
- √ All Owners and Exhibitors will be held responsible for any damage incurred by them, their agents, employees or animals to stall buildings and other properties on the show grounds and shall be billed accordingly. All bills for veterinary, farrier services and feed are due and payable during the show. The management reserves the right to deduct any unpaid veterinary, farrier and feed bills from premium, stake or prize money, or refunds due the exhibitor. Any exhibitor not meeting obligations to the veterinarian, farrier or feed supplier will be termed an undesirable exhibitor and entries from that exhibitor may not be accepted at subsequent shows.
- √ Competitors are responsible for all **INSURANCE** for themselves, employees, owners, horses, etc. Competitors are personally responsible for damages to third parties caused by themselves, their employees, agents or horses. They are strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad and to keep the policy current.
- √ Current USEF, FEI, and USDF tests will be used.
- √ USEF General Rules define the protest procedure.

ENTRIES - SCHEDULING - RIDING TIMES

- √ Entries will be accepted on a first-come basis and must include all fees, membership and horse registration proofs, signatures and payment. *Numbers will not be released until this process is complete; entries without payment in full may be returned.* Entries must be received by midnight of the Entry Closing date in order to avoid late fees. Entries that are received, complete with payment, signatures and proofs will have priority over faxed or emailed entries. Entries submitted by email are considered to be legal contracts and are subject to all of the rules of the show, including post/late entry fees. If the show has extended the courtesy of accepting a late or emailed entry, the responsible party will be liable to pay all class, office, stable and other fees. Withdrawing at any time will not excuse the responsible party from paying all of the applicable fees. Those who do not comply with this will be turned in to the recognizing authorities and no future entries will be accepted until the matter has been resolved.
- √ Management will close the show when it is full and place excess entries on a wait list. Entries that have arrived after the show is declared full and prior to the printed entry closing date will not be subject to late fees. Any entry postmarked after the published entry closing date is considered a post entry and all post entry and late fees will apply.
- √ Post entries allowed on a space available basis only, prior to the start of the class and after all forms have been completed, signatures obtained and fees paid. A late/post entry fee will be applied to all post entries. All change requests must be in writing and accompanied by a blank check, credit card or cash to cover the cost of the class(es) requested. If the change is granted, the usual class and post entry fees will be charged. **PLEASE NOTE: Once the show is scheduled, the fee paid for a scratched class will not be applied to a requested class unless the scratch time is filled.**
- √ Copies of all membership cards and horse recording certificates are required. The requirements of USEF, USDF and CDS will be strictly followed and the show will collect fees for any individual or horse registration that is required and cannot be proven by presentation of the current card. To enter the Adult Amateur Division, the USEF Membership card MUST indicate Amateur and the individual must reach the age of 22 in the current year.

If you do not submit proof of Adult Amateur status, you will be entered in the Open division. If you request to switch to Adult Amateur classes after entry closing, all post entry and/or change fees will be applied if this requires that you be rescheduled.

- √ Classes will be scheduled to accommodate the judges, riders and management. Rider scheduling preferences, if noted on the entry, will be indulged when possible. The 50 minutes between rides rule will be observed for riders of multiple horses. Requests for specific break parameters will be considered, but not guaranteed. Classes will not necessarily be scheduled in order of difficulty.
- √ **Provisional ride times will be POSTED ON WWW.FOXVILLAGE.COM.** It is the obligation of the entrant to contact the Show Secretary at davenport@saber.net if times have not been received. Scheduling conflicts must be emailed to the Show Secretary 48 hours prior to the start of the show. **Next day's revised schedule is posted every evening at the show office and on www.foxvillage.com.**
- √ An Exhibitor's Letter with updates may be included with the riding times. Information in this document is considered to be as binding as any other rule or procedure stated in this Prize List.

Any damage whatsoever that is attributed to the dog is the complete financial and any other responsibility of the owner of the dog.

- √ The assigned bridle number must be worn or displayed at all times when the horse is on the grounds and/or out of the stall.
- √ Use of the warm-up arenas is limited to those who are entered in the show and, at the discretion of Show Management, will be restricted to those warming up for class(es) in progress when there is congestion. **NO ONE ON FOOT WILL BE ALLOWED IN THE DRESSAGE WARM-UP ARENAS AT ANY TIME.** There will be a designated lunge area and it may be subject to posted hours of availability.

- √ The Stabling Request **MUST** be completed and paid for with entry. **Once ordered, there is no refund for stalls.** There is a limited number of permanent box stalls with roofs and doors. These will be assigned first come/first served. The remaining stalls are 10 x 10 portables with roofs and doors. Stabling will be assigned in order of receipt of entry, with consideration for requests made on the entry. Fees apply whether the stall is used for a horse, tack, feed or grooming. There is no day use stabling available. Stabling is available from one day prior to the start of the show through the final day of the show. Additional days subject to availability and may be requested on entry.
- √ Wash racks and showers are available.
- √ Grounds/Haul-in Fee will be charged for all horses not stabled. This fee applies to any horse brought onto the grounds, even if the horse remains on the horse trailer or is ridden or led onto the grounds.
- √ No straw is allowed. Cost of repair for any damage or defacement of property will be charged to the Exhibitor. **EXHIBITOR IS RESPONSIBLE TO INSPECT STALL AND REPORT PRE-EXISTING DAMAGE PRIOR TO USING STALL.**
- √ Please deposit all manure at the end of the barn aisles or as designated by the facility. Waste materials must be disposed of properly, in accordance with State law and the rules of USEF.
- √ **NON-COMPETING HORSES.** Each non-competing horse must have a signed release, wear an assigned number, must observe the rules governing the use of the warm-up areas and must pay any required fees, including but not limited to stabling, haul-in and grounds fees. Any horse brought onto the grounds, including the parking lots, is subject to the rules of the show. This includes horses that never leave a horse trailer. Violations of this rule will result in double the fees due. Priority in availability, location and type of stabling will be given to competing horses.
- √ Any balance due at the end of the show will be billed and subject to a billing fee. Payment must be made immediately upon receipt of the bill. Non-payment will result in the individual being turned in to the sponsoring organizations, in addition to all legal ramifications.

REFUNDS - CANCELLATIONS

- √ **REFUND REQUESTS MUST BE IN WRITING AND SIGNED.** Refunds for cancellations made prior to stated entry closing date will be made in full, less a processing fee. The following conditions must be met: 1) a veterinarian's certificate or rider's medical excuse must be submitted, 2) notification must be in writing to the Show Office **PRIOR** to the show day(s) in question. A per class processing fee will be deducted from the refund. Refund lists are maintained in order of date and time of scratch. Refunds will be applied to the list, starting with the earliest valid scratch. **There will be no refund for stabling once it is ordered. There will be no refunds of any sort (including but not limited to haul-in, drug, class, office and association fees) for same day scratches or no shows. These fees will be considered a contribution to the show and your signature on the entry verifies that this is understood as a condition of entry. There will be no refund for a "no show" and later classes may be rescheduled with no notification to the "no show".**
- √ Checks returned by the bank or credit cards that are refused will be assessed a minimum fee or the bank fees (whichever is higher) upon the first return and will not be run through a second time. A cashier's check or cash will be needed to clear the entry.
- √ **CANCELLATION: In the event that all or part of the competition is cancelled due to a storm, accident or any other emergency, the competition will not be responsible for refunding entry, stabling, office or any other fees,**

AWARDS - PRIZE MONEY - FREESTYLES - MISCELLANEOUS

- √ **AWARD CEREMONY** procedures will be updated and posted at the Show and Award Offices. Show management reserves the right to amend award information by making notification in subsequent advertising and communications such as exhibitor letters and show programs.

Any disputes concerning scores, divisions entered (AA, JR/YR, Open), and/or placings must be brought to the attention of the Show Office within one hour of the end of the show day. Scores and placings become final at that time.
- √ **FREESTYLES:** It is the responsibility of the exhibitor to have the cued music at the announcer's stand at the start of the ride and a representative at the stand to tell the announcer when to start and stop the music. √ **FREESTYLE PREREQUISITE:** It is required to submit proof of competency at the highest test of the level entered, except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior, FEI Young Rider and FEI Para-Equestrian Freestyles. The qualifying test must have been achieved at a Federation Licensed or FEI recognized Dressage Competition or “open” Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. STATE BORDER CROSSINGS:

√ The most recent information available on documents necessary for transporting horses across state lines is available at the following numbers: Nevada Department of Agriculture - (775) 688-1180 and California Department of Agriculture - (916) 654-1447. Be sure to ask if there are any prohibitions against feed as well.

JUNIORS

√ All minors/juniors must be supervised by their parent/guardian or authorized agent at all times while at or on the show grounds, whether riding or on foot. The parent/guardian or authorized agent shall assume all responsibility to protect juniors from any injury, damage, harm and/or loss and shall indemnify, defend and hold show management, its employees, independent contractors and volunteers, the facility at which the event is held, Golden State Dressage, Inc. and all affiliated organizations harmless therefrom.

√ Minors who do not have a valid driver’s license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver’s license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver’s license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed “unsafe use” if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

ALL COMPETITORS

√ *From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse a* any time on the competition grounds, *including non-competing riders, riders on non-competing horses, and those competing in all classes and tests, including* Para-Equestrian tests, must wear protective headgear as defined by this rule and otherwise in compliance with GR801. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. Unless jackets are waived, while in the competition ring, exhibitors wearing protective headgear must wear a short, dark jacket, dark tailcoat (only permitted for tests above Fourth Level), or Armed Services or police uniform (if eligible), dark hat covers (where applicable) and must otherwise conform to DR120 (see GR801).

√ It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

√ The Federation and Golden State Dressage, Inc. make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

√ Competition management shall place a minimum of one sharps container per each competition, whether or not stabling is provided. Additionally, at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management’s responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments. Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition. If local law has different requirements, local law will prevail. Competitions failing to comply with placing the required number of containers on the show grounds will be considered in violation of the rules and may be subject to penalty as determined by the CEO or Executive Director and/or the Hearing Committee.

√ The dress and equipment rules will be in place from the moment of arrival on the grounds and will be in force for the duration of the show.

√ **Safe Sport:** All :USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

√ *In locations with high average heat and humidity on the date of a competition, management can publish in their prize list that jackets will be waived for the duration of the competition. Alternatively, management can announce prior to or during a competition that competitors can show without jackets when extreme heat and/or humidity is forecast. This waiver applies to* in all classes including FEI classes at National Competitions. However, competitors must wear *protective headgear* and a shirt with *sleeves and collar*, without neckwear, and without decoration except as described under .14 below. T-shirts are not permitted. Members of the Armed Services or police units may wear summer uniforms.

JACKETS WILL BE WAIVED FOR THIS SHOW

2022 Great American Insurance Group/USDF Regional Dressage Championships

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and recognized by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year. The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2022 USDF Member Guide for the comprehensive list of rules and requirements for this program.

Membership/Registration Requirements for Qualifying and Championships

All memberships and registrations/recordings must be correct and current at the time qualifying scores are earned and at the time of the championships.

Rider:

- Must have a USDF Participating* Membership (PM).
- Must have a USEF membership (Active or Life).

Horse:

- Must have a USDF Lifetime Horse Registration (LHR).

If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership and must be the owner of record with USEF and USDF. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.

* PMs are USDF members who join USDF directly. USDF Group Members (GM) are ineligible.

Minimum Qualifying Scores: One set of nationally-standardized qualifying scores has been established for all USEF/USDF Regional Championships, for Training Level through Grand Prix, in three divisions: open, adult amateur and junior/young rider. **This
competition

for 2022**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

How to Join USDF

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

USEF MEMBERSHIP STATEMENT
