PRESENTATION

ABOUT US

Since opening its gates in 1982, the Murieta Equestrian Center (MEC) has been one of the largest privately-owned equestrian and event facilities in California. MEC is located 24 miles east of downtown Sacramento in the community of Rancho Murieta.

THIS VERSATILE FACILITY FEATURES:

- Main indoor arena with seating for 3,000 spectators
- Five indoor arenas ideal for year round events
- Two world class cutting arenas
- 12 outdoor arenas with high performance footing
- 1,000 stalls
- Acres of grassy park-like settings ideal for large events
- On site café and bar with indoor/outdoor seating
- On site luxury glamour ranch retail store
- 70+ RV spaces
- 83 room luxury boutique hotel footsteps from the facility

Our facility hosts approximately 60 events annually with over 200,000 competitors and spectators. Whether you are planning an equestrian competition, festival, concert, demonstration, wedding, horse clinic, or sports competition, we can accommodate events of all shapes and sizes.

We have the amenities to help make your event a success!

OUR HISTORY & THE FUTURE

PURPOSE

To create an environment worthy of the efforts of our participants and to provide a prime destination for equestrian sports. The team at Murieta Equestrian Center is focused on the continued growth and development of the facility to host world-class National and Regional shows and events.

1982

The Anderson family purchased the Murieta Equestrian Center more than 30 years ago. Carol Anderson Ward began the development that would turn it into the premier horse show facility it is today. MEC is a popular destination enjoyed by equestrians, sports enthusiasts and community members year-round.

2007-NOW

A partnership between the Murieta Equestrian Center and the West Coast Equine Foundation was created as a way for Carol Anderson Ward and MEC to give back to the horse community. The WCEF works to advance the equine industry through scholarships and grants that support a variety of community, equine health and youth programs.
